I hereby consent to participate in a course-based research study conducted by Md Tanjeem Haider (mdtanjeem.haider@ontariotechu.net), Ayman Zahid (ayman.zahid@ontariotechu.net), Razeen Meera Ameer (razeen.meeraameer@ontariotechu.net), and Alireza Shahbazzpour tazehkand (alireza.shahbazzpour tazehkand@ontariotechu.net) for an assignment in CSCI 4620: Human Computer Interaction, at Ontario Tech University. The course is taught by Dr. Ali Neshati in the Faculty of Science (ali.neshati@ontariotechu.ca), and this study is being conducted under his supervision and with the approval of the Ontario Tech University Research Ethics Board.

I understand that:

- the purpose of this study is to determine whether touchless elevators present a viable use case that justifies their implementation, and if they are equal to or better than traditional elevator buttons.
- the procedures to be used are online questionnaire and semi-structured interviews.
- **Due to the Covid-19 pandemic, all data collection will be remote (online or by phone).**
- I will receive no compensation for my participation.
- I am free to withdraw before or any time during the study with no consequence and without the need to give any explanation.
- all materials and results will be kept confidential, and, in particular, that my name and any identifying or identified information will not be associated with the data.
- all collected data will be destroyed at the end of the course, December 18, 2020.
- collected data will not be used beyond the scope of the course project.

If you have any questions about your rights as a participant in this study, complaints, or adverse events, please contact the Research Ethics Office at (905) 721-8668 x3693 or at researchethics@ontariotechu.ca.

If you have any questions concerning the research study or experience any discomfort related to the study, please contact the course instructor Dr. Ali Neshati x6581 or ali.neshati@ontariotechu.ca.
